What Are Prayer Points for Church Growth?

Prayer points for church growth are basically prayer offered to help the growth of the church.

These are prayers that make the winning of souls easier and ensure that more people are converted to believing in the Gospel of Christ.

Why Prayer Points For Church Growth?

Prayer for church growth is essential since winning souls is the core mandate given to Christians by Jesus' Christ when He was on earth (*And he said unto them, Go ye into all the world, and preach the gospel to every creature - Mark 16: 15*).

It is the duty of every Christian to offer prayers for the church so that those who are yet to come to the light of the glorious Truth will receive Him.

Back in the book of Acts, we saw how the church grew, multiplied. A look into Acts shows us how the early church moved from a few hundred to thousands and spread to several parts of the world.

Although they were forces against the growth of the church, the prayers of the believers were enough to ward off the resistance of the "gate of hell.
